**Subject:** RE: Tier 0 confusion

This is in reponse to your e-mail request:

1. The CSIE Tier 0,1,2 have been covered on the process to handle PSON requests.

An MCC was sent out and covered.

2. There is not a single point of contact assigned, PSON requests will follow the normal Qwest Escalation Process.

3. The call type for PSON request will be "Order Status".

Thanks,  
Chris
